

CHILDREN'S HAPPY FACES FOUNDATION WITH SUPPORT OF NEW YORK REAL ESTATE INDUSTRY RAISES \$575,000 AT ANNUAL GOLF OUTING

Following the great success of this year's annual golf event that raised \$575,000 dollars, Ronald McDonald House New York® applauds the generosity of the New York Real Estate Industry, which has enabled Children's Happy Faces Foundation to reach a remarkable milestone of over \$5 million in support of children's causes.

"Providing 11 successful years of direct support for the programs at Ronald McDonald House NY and 10 wishes granted for Make-a-Wish Foundation of Hudson Valley, it is truly a collective effort of countless supporters and volunteers and has been amazing ride," said David J. Lipson, CEO & Founding Member of Children's Happy Faces Foundation and Senior Managing Director of Century Management Services Inc.

This year's golf event was held at three world class venues—St. Andrews Golf Club, Hudson National Golf Club, and Sleepy Hollow Country Club—with a total of 284 golfers and 15 tennis players. At the conclusion of the day's activities, all participants gathered together with invited dinner guests at the mansion at Sleepy Hollow for a one-of-a-kind networking experience that included entertainment by the Parker Reilly Band and the American Bombshells. The live auction this year, featuring numerous items including a dinner at RAO's Restaurant, brought in record support.

"We are extremely grateful to the Children's Happy Faces

Foundation for its years of support and all who participated at this year's golf event," said Ruth Browne, President & CEO of Ronald McDonald House New York. "The event capped an exciting month for Ronald McDonald House New York, following our grand re-opening for the House's \$23.6 million expansion—which added 11 new rooms, including six post-transplant suites (the only ones of their kind at a non-hospital facility in New York City), a wellness center, and the newly renovated Macy's Living Room, making it the largest home-away-from-home facility in the world for families with children battling pediatric cancer."

Mitchell Barry, President of Century Management, stated how touched he was by the special ribbon cutting at the grand re-opening ceremony of Ronald McDonald House New York the week prior, which both his parents Stanley and Marilyn Barry attended.

Century Management was once again title sponsor for the golf event and was joined by Platinum Sponsors Hercules Corporation and National Cooperative Bank. Gold Sponsors included Efficient Combustion & Cooling Corp., ICAS Corp., Morgan Stanley, Zurich Insurance Co., and Adriatic Plumbing; Silver Sponsors were Alex Dimitreif, Arthur J. Gallagher, Bargold Storage Systems, Daniels Norelli Cecere & Tavel PC, M & R Management, and Mann Report.
